CIC 305th Detachment Bologna Section 2 June 1945

Subject: 10th Flottiglia MAS

2. The Xth Flottiglia MAS was re-organized by the Republican Fascists after 8 September 1943 under the command of Prince Valerio BORGHESE. In the spring of 1944, Prince BORGHESE is believed to have broken with the Republican Fascist Minister of Interior because of the unconventional methods adopted by the Republican Fascists. Somewhat later, Prince BORGHESE is reported to have fallen off with the Secretary of the Fascist Party, PAVOLINI, because of certain acts committed by the Brigata Nera, and Prince BORGHESE is said to have finally severed relationship with MUSSOLINI himself. Just prior to the allied occupation of North Italy, Prince BORGHESE is believed to have reorganized the Xth Flottiglia MAS to form the nuclei of this new political movement.
